

It's More Than Just a Home

Youth Activities

RHA offers a wide variety of youth programs and activities for our residents. From week-long summer camps in the great outdoors, to nutrition classes, to helping with applications for your first job, we offer something for just about every young person at RHA. Our goal is to provide RHA's young people with the confidence and tools to grow and thrive as they enter adulthood.

Youth Workforce Development

RHA offers two youth workforce development programs aimed to help participants jump start their lives. Start Smart, for ages 14-18, helps teens develop leadership skills and create a plan for after high school. All workforce development programs offer courses in financial literacy, resume building, financial aid/FAFSA, effective interviewing, career exploration, and more! RHA's Youth Workforce Development Coordinator helps participants set education and career goals, while helping teach the skills to get there.

Workforce Development

Through HUD's Family Self-Sufficiency program, RHA's workforce development staff provides residents the opportunity to set and reach their personal and professional goals while earning money to prepare for their future. We provide residents opportunities to increase independence and stability through focused resources, workforce training, employment services, and case management. The Workforce Development Department's mission is to strengthen family foundations with the intention to build generational wealth and fundamental skills to promote independence. Our goal is to lead RHA residents to their fullest potential!

Senior Services

RHA offers services and events specific to our elderly and disabled populations. Services include energy assistance, Medicare/Medicaid application assistance, nutrition/food assistance information, and more. Our goal is to help our elderly and disabled residents with the tools they need to grow and live independently. Additionally, we love to celebrate our seniors as they reach milestones in their lives, such as turning 90 years old at our annual 90s+ celebration!
