OMB Approval No. 2577-0075 (exp. 08/31/2023)

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C., 3501-3520) and assigned OMB control number 2577-0075. There is no personal information contained in this application. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when disclosure is not required. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number.

This general information is required to request HUD approval to remove public housing property (residential or non-residential) from public housing requirements, including use restrictions imposed under the Annual Contributions Contract (ACC) and the Declaration of Trust (DOT)/Declaration of Restrictive Covenants (DoRC). PHAs may request such HUD approval under the following laws: demolition and disposition (Section 18 of the 1937 Act and 24 CFR part 970); voluntary conversion (Section 22 of the 1937 Act and 24 CFR part 972); required conversion (Section 33 of the 1937 Act and 24 CFR part 972); homeownership (Section 33 of the 1937 Act and 24 CFR part 906); retentions under 2 CFR 200.311 (PIH Notice 2016-20 or subsequent notice); and eminent domain (PIH Notice 2012-8, or subsequent notice).

Note: This form requests general information only and PHAs are required to submit an additional addendum for the specific type of proposed removal. This form in addition to the applicable addendum are collectively known as the SAC application since these applications are processed by HUD's Special Applications Center (SAC). HUD will use this information to review PHA requests, as well as to track removals for other record keeping requirements. Responses to this collection of information are statutory and regulatory to obtain a benefit. The information requested does not lend itself to confidentiality. PHAs are required to submit this information electronically to HUD through the Inventory Removals Submodule of the Inventory Management System/PIH Information Center (IMS/PIC) system (or a later electronic system prescribed by HUD). IMS/PIC will assign each SAC application a "DDA" number.

This form does not apply to proposed removals (conversions) under HUD's Rental Assistance Demonstration (RAD) program; and the instructions for RAD application submissions via IMS/PIC is provided and governed by a separate OMB-approved HUD form.

PHA official, I approve the	submission of this SAC Applica	ation known as DDA # 0012593 for removing public				

Acting on behalf of the Board of Commissioners of the PHA, as its Chairman, Executive Director, or other authorized PHA official, I approve the submission of this SAC Application known as DDA # 0012593 for removing public housing property from public housing use restriction, of which this document is a part, and make the following certifications, agreements with, and assurances to the Department of Housing and Urban Development (HUD) in connection with the submission of this SAC application and the implementation thereof:

- 1. All information contained in this SAC application (including all supporting documentation, attachments and required form HUD-52860 addendums) is true and correct as of today's date.
- 2. Resident demographic data in the IMS/PIC system is updated and current as of the date of the submission of this SAC application.
- 3. The PHA will comply with all applicable fair housing and other civil rights requirements, including but not limited to HUD's general non-discrimination and equal opportunity requirements listed at 24 CFR 5.105(a), as well as the duty to affirmatively further fair housing (AFFH) related to this SAC application. AFFH includes ensuring that the proposed inventory removal development is not in conflict with fair housing goals and strategies in my agency's PHA or MTW Plan, and is consistent with my agency's obligation to AFFH, certification and supporting activities. The PHA conducted the submission requirements of this SAC application (including removal justification; resident consultation, etc.) in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act of 1990, state or local accessibility requirements, and other applicable civil rights laws. If HUD approves this SAC application, the PHA will carry out and implement this removal action (including relocation, if applicable), in conformity with all applicable civil rights requirements. The requirements for AFFH can be found at 24 CFR §§ 5.150-5.152, 5.154, 5.156, 5.158, 5.160, 5.162, 5.164, 5.166, 5.168, and 5.169-5.180.
- 4. The removal action proposed in this SAC application does not violate any remedial civil rights order or agreements, conciliation agreements, voluntary compliance agreements, final judgments, consent decrees, settlement agreements or other court orders or agreements to which the PHA is a party. If the PHA is operating under such a document, it must indicate this by uploading a document to the SAC application that provides a citation to the document and explains how the proposed demolition or disposition is consistent with such document.
- 5. If the PHA is a non-qualified PHA under the Housing and Economic Recovery Act of 2008 (HERA), it has complied with the PHA Plan requirements regarding the proposed removal action at 24 CFR part 903 and the applicable statutory removal authority. For instance, if the removal action is a demolition or disposition, the PHA must describe the demolition or disposition in its PHA Plan or in a Significant Amendment to that PHA Plan and that description must be substantially identical to the description in the SAC application. If the PHA is a qualified PHA, the PHA certifies that it has discussed the removal action at a public hearing.
- 6. The PHA has conducted all applicable resident consultation and will conduct all relocation activities associated with this SAC application in a manner that is effective for persons with hearing, visual, and other communication-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973 (24 CFR 8.6) and with 49 CFR 24.5, and as applicable, the Americans with Disabilities Act of 1990. The PHA will take reasonable steps to ensure meaningful access to their programs and activities for persons who have limited ability to read, speak, or understand English i.e., individuals who have limited English proficiency (LEP).
- 7. The PHA will comply with all applicable Federal statutory and regulatory requirements and other HUD requirements, including applicable PIH Notices, in carrying out the implementation this SAC application, as approved by HUD. The PHA specifically certifies that the property proposed for removal in this SAC application is in compliance with Declaration of Trust (DOT) or Declaration of Restrictive Covenants (DoRC) requirements.
- 8. The PHA will comply with the terms and conditions of any HUD approval that HUD may issue for this SAC application, including requirements applicable to future use, record-keeping and reporting; and will specifically retain records of the SAC application and its implementing actions of HUD's approval of this SAC application for a period of not less than 3 years following the last required action of HUD's approval. The PHA further certifies that it will make such records available for inspection by HUD, the General Accountability Office and the HUD Office of Inspector General. PHAs must then upload this form and other supporting documentation requested by this form to the IMS/PIC SAC application. PHAs must label that supporting documentation by section number of this form and/or by name (e.g. Resident Consultation). PHAs must complete and submit applicable addendums as indicated below as part of a SAC application. #### Section 1: General Information

Some fields will automatically populate from IMS/PIC. If not, complete all fields,

#### Section 2: N/A

#### Section 3: PHA Plan, PHA Board Resolution, Environmental Review and Local Government Consultation

Refer to the regulation, PIH Notice or other HUD guidance document for guidance on these requirements for the specific removal action proposed, but generally the following apply:

PHA Plan: PHAs must include the removal action in their approved PHA plan for all SAC applications.

Board Resolution: PHAs must obtain a board resolution approving the removal action for all SAC applications. For demolitions and dispositions proposed under 24 CFR part 970, the board resolution must be dated after the date of resident and local government consultation.

Environmental Clearance: HUD will not process or approve a SAC application without evidence that the proposed removal action has received Environmental Clearance. This evidence will generally be a copy of a HUD signed Authority to Use Grant Funds (HUD-7015.16 form or subsequent form) for the proposed removal action (including future use, if known) to evidence an environmental review acceptable to HUD was completed under 24 CFR part 58. In some instances, evidence of Environmental Clearance may be a letter from the Responsibly Entity stating the activity was exempt or categorically excluded under 24 CFR part 58. The only exception to

obtaining Environmental Clearance under 24 CFR part 58 is if HUD, in its sole discretion, decides to complete the environmental review itself under 24 CFR part 50. In this case, the applicable local HUD Office of Public Housing must have actually completed the environmental review and determined the action has Environmental Clearance before HUD will process or approve a SAC application.

<u>Local Government Consultation</u>: PHAs must consult with their local government officials and obtain a letter of support for all SAC applications (except for eminent domain and homeownership). For demolitions and dispositions proposed under 24 CFR part 970, PHAs must include a narrative description of its consultation with local government officials.

## Sections 4-9 must be completed and submitted separately for each Development covered by this Application

Most information should automatically populate from IMS/PIC information, except for Section 4, Line item 10 (Total Acres of the Development) which the <u>PHA must complete</u>. If line 10 is not completed or less than proposed for disposition under Section 5, PHA will not be able to fill in Section 5, line 4. The development number should be the HUD development number. All development numbers are at least 8 characters long (and may be up to 11 characters for AMP developments).

## Section 5: Description of Proposed Removal

Unlike section 4, this information will not automatically populate. PHAs must complete the fields of this form where there is no field in the IMS/PIC SAC application for the requested information (i.e. UFAS information).

If the proposed removal action (including demolition) is for only a portion of the property at a contiguous site, PHAs must attach a site map. PHAs complete this section for all proposed removal action where relocation will be required. PHAs may be required to complete additional relocation information in the applicable addendums (e.g. right of first refusal for homeownership applications; evidence of compliance with all applicable federal, state, and local laws for eminent domain actions).

For question #3, the summary of the type of counseling and advisory services should include a description of how the services will promote fair housing, including but not limited to how they will assist residents in obtaining housing in opportunity areas.

For question #6, the relocation summary should provide sufficient detail about the comparable housing that the PHA will offer to the displaced residents (i.e. based on available resources and resident preferences) Indicate how the PHA will identify and offer comparable housing to (a) displaced residents who have a family member who is a person with a disability; and (b) displaced residents who are not eligible for Section 8 HCV assistance (e.g. because they are over-income).

Note that a PHA's eligibility to receive TPVs is based on statutory Appropriations laws, and other HUD guidance, including but not limited to PIH Notice 2017-10and PIH Notice 2018-04 (or any successor or replacement notices).

If the PHA is a public housing only-PHA and will partnering with a PHA that administers an HCV program for the TPVs, the partnering PHA must have jurisdictional authority and administrative capacity to administer the TPVs. PHAs should contact their local HUD Office of Public Housing for more information.

### Section 7: Resident Consultation

Refer to the regulation, PIH Notice or other HUD guidance document for guidance on resident consultation for the specific removal action proposed.

#### Section 8: N/A

#### Section 9: PHA Certification of Compliance

The Executive Director, Board Chairperson, or other authorized agent of the PHA, should complete, sign and date the Certification and submit it (as a scanned PDF file) as part of its submission of the SAC application.

#### De Minimis Demolition

PHAs do not need HUD approval to demolish units under Section 18 de minimis authority. PHAs do need to submit information to HUD described at 970.7(a)(1), (2), (12), (13), and (15), which includes PHA plan, description of the property, board resolution, and environmental requirements. Thus, for purposes of de minims demolitions, PHAs are submitting information and not a SAC application through this form.
