RENO, NV: The Reno Housing Authority (RHA), in partnership with VA Sierra Nevada Health Care System (VASNHCS), announces the award of 98 new Housing and Urban Development (HUD) Veterans Affairs Supportive Housing (VASH) Vouchers. The HUD-VASH program combines the efforts of HUD and Department of Veterans Affairs to assist our homeless veteran population. The program is one of the nation’s largest supported permanent housing initiatives and combines the Housing Choice Voucher program and VA case management services to promote and maintain recovery and housing stability among homeless veterans. The program is limited to assisting homeless veterans and veterans at imminent risk of homelessness in Washoe County.

Veterans who are homeless or at imminent risk of homelessness are strongly encouraged to contact the National Call Center for Homeless Veterans at (877) 4AID-VET (877-424-3838) for assistance. Veterans can also call (775-326-6600) or go to the VASNHCS Homeless Veterans Outreach Clinic located at 350 Capitol Hill Ave in Reno, where they can be evaluated by a social worker and referred to appropriate programs including the HUD-VASH program.
