

The RHA is the premiere affordable housing organization in Washoe County. We're a solution for thousands of low-income families, seniors and people with disabilities in the Truckee Meadows.

The majority of RHA residents earn at or below 50% of the Area Median Income and about 2/3 are seniors or persons with disabilities

The RHA owns eight Public Housing complexes with units ranging from studio apartments to four bedroom homes.

We provide Housing Choice Vouchers for more than 2,500 households, allowing people to live anywhere they choose in Washoe County. There are also housing vouchers specifically designed for veterans, former foster youth and homeless individuals.

We also own ten multifamily complexes and 165 separate condos and single family homes that we offer at below-market rents, which is extremely important in the increasing scarce northern Nevada housing landscape.

While there never is enough affordable housing for people who need it, the RHA is proud to help nearly **9,000** Nevadans have a safe, secure place to call home.
