Dear Ms. Lopez:

Congress has extended the Moving to Work (MTW) Demonstration for the initial 39 MTW public housing agencies (PHA) through 2038.

Pursuant to Section 241 of Title II of the Consolidated Appropriations Act, 2024 (P.L. 118-122) (Act), your PHA's current MTW Agreement is hereby modified and extended until the end of its 2038 fiscal year.

Your MTW Agreement shall be modified by the content of the second paragraph of this letter upon receipt of this letter by the PHA. If your PHA would instead prefer to conclude its MTW participation, please follow the process in Section VIII.D. of the PHA's MTW Agreement.

Under the Act, other terms of the MTW Agreement may be modified by mutual agreement between the PHA and HUD. If your PHA would like to discuss modifications to other terms of its MTW Agreement, please contact the MTW Office at mtw-info@hud.gov.

Throughout the next 14 years of the MTW Demonstration, we look forward to continued innovation and partnership in serving low-income households across the country.

Sincerely,

A handwritten signature in blue ink, reading "Richard J. Monocchio", is positioned above the printed name.
