RENO HOUSING AUTHORITY

AGENDA ITEM NUMBER: 2

July 22, 2025

SUBJECT: Discussion and possible approval of the Restated and Amended Loan Agreement, Restated and Amended Promissory Note, and related documents and construction oversight requirements for continuation of the Reno Housing Authority's \$1.75 million loan to Truckee Meadows Housing Solutions for its GenDen development located at 1100 W. 4th Street in Reno (APN 010-610-19). (For Possible Action)

FROM: Executive Director

RECOMMENDATION: For Possible Action

Background:

In June 2022, RHA's Board of Commissioners awarded \$1.75 million in unrestricted funding to Truckee Meadows Housing Solutions (TMHS) to support the development of a ten (10) unit multigenerational housing development for households with incomes at or below 50% of area median income. The development is located at 1100 W. 4th Street (previously addressed as 0 W. 4th Street) on APN 010-610-19 in Reno. The development is more commonly known as the GenDen.

In April 2023, TMHS and RHA entered into a Loan Agreement, Promissory Note, Ground Lease and related transaction documents with RHA to codify the award of funds and requirements for the development; for example, continued use as affordable housing and income targeting. TMHS also competed for funds through the State's Home Means Nevada Initiative (HMNI). These funds, if awarded, would have repaid RHA's funding. However, under the terms of the Note, since TMHS did not receive its anticipated HMNI funding, RHA has not withdrawn its funds dedicated to the project. As collateral for the funds, TMHS agreed to transfer the property, initially donated to them by the City of Reno, to RHA, and RHA is now the owner of record. The vacant land was not appraised but may currently be valued below \$1.75 million.

Since that time, TMHS encountered several issues during the plan review process which impacted their ability to move forward on their original schedule. This included the need to reroute water infrastructure and the need for potential easements with adjacent property owners. Additionally, given the delays, the contractor had to rebid the project in early 2025, and due to cost escalations over the past two years, the new bid resulted in a \$500,000 funding gap for the project.

In March 2025, THMS requested the additional \$500,000 from RHA to fill the funding gap. After thoughtful discussion and consideration of other RHA projects and needs, this request was denied. At the same time, RHA staff had worked with Ms. DuPea from TMHS to identify other potential sources of gap financing. As a result, TMHS applied to the Federal Home Loan Bank of San Francisco Affordable Housing Program (FHLBSF AHP) for a like amount of funds. At the same March board meeting, RHA's Board of Commissioners agreed to keep its initial loan in the project pending FHLBSF's funding decision. TMHS was notified in July 2025 that it received the \$500,000 in AHP funds. Based on this, there is no longer a funding gap for the project and TMHS is ready to proceed with construction. Construction is scheduled to begin by September 1, 2025.

As part of the March 2025 Board discussion, RHA's counsel noted that the current transaction documents were out of date and needed to be revised if the project moved forward. Commissioners requested that the restated documents be brought back for approval at a future meeting. Commissioners also asked that the revised documents include provisions for the below items.

- RHA participation in monthly construction progress meetings. While this provision was already included in the prior version of the Loan Agreement; holding monthly meetings was not mandatory. The revised Agreement indicates that monthly onsite construction progress meetings are required.
- RHA draw review and approval process. Provisions were already included in the prior version of the Loan Agreement but were reiterated with more detailed information on the process. The anticipated draw process was also discussed with a TMHS' representative ahead of the special board meeting.
- Review and use of construction savings. The Amended and Fully Restated Loan Agreement now outlines the process for return or potential reuse of construction savings in excess of \$50,000.
- Review of the General Contractor Agreement and schedule of values. Staff received these items and reviewed them to ensure the amounts were consistent across the documents and that the General Contractor's pricing had not changed since the rebid. Per the submitted documentation, pricing is held through the end of August 2025.
- Construction schedule and updated start and end dates. This information was submitted, and the identified timeframes are reasonable.
- Compliance with other funding requirements. TMHS has been in contact with the City of Reno and provided them with updated transaction information. TMHS has also submitted a copy of their letter of notification to the Reno Sparks Indian Colony.

The Amended and Fully Restated Loan Agreement also adds language regarding acts of God and insurance proceeds, using the federal HOME program standards to determine household income and eligibility, and various other items.

The transaction documents have been updated by RHA's counsel to account for these items and/or TMHS has submitted evidence of funding awards, revised budgets, general contractor agreements, and schedule of values. RHA staff have reviewed the submitted items and find them acceptable. TMHS' counsel and team reviewed the revised documents, and their minor changes have been incorporated into the attached versions.

Additionally, as part of TMHS' receipt of FHLBSF AHP funds, TMHS must sign a Promissory Note and record a Leasehold Deed of Trust and Rider. TMHS will work with FHLBSF and the member bank that sponsored their application, Clearinghouse CDFI, to complete these items. Funds cannot be drawn from FHLBSF until these documents are executed and recorded. RHA has not yet received these completed documents but will need to review and approve them prior to their execution and to authorize recording of the Leasehold Deed of Trust and Rider in a subordinate position to RHA's loan. In the interim, staff has separately downloaded the template Promissory Note and Rider from FHLBSF's website and attached them here for reference. However, there may be changes to these documents by TMHS or Clearinghouse CDFI. The Leasehold Deed is not a template document and therefore not available on the website.

At this time, staff is seeking the Boards approval of the revised RHA transaction documents and approval for the Executive Director to:

1. Review and approve, with counsel's assistance, the FHLBSF Promissory Note and Leasehold Deed of Trust and Rider (the FHLBSF Documents) once available.
2. Upon review and approval of the FHLBSF Documents authorize recording of the Leasehold Deed of Trust and Rider.
3. Upon execution and recordation of the FHLBSF Documents, execute RHA's revised documents to effectuate the closing and TMHS' start of construction by September 1, 2025.

The board also previously indicated that construction could occur at TMHS' risk but that RHA's funds could not be drawn until RHA's documents were in place. Staff recommends continuing with that strategy.

Attached for your reference are the following documents:

- Amended and Fully Restated Loan Agreement
- Amended and Fully Restated Promissory Note
- Construction Schedule
- Sources and Uses
- Operating Pro Forma
- Template FHLBSF Promissory Note
- Template FHLBSF Rider

Staff Recommendation and Motion:

Staff recommends the Board motion to approve the Amended and Fully Restated Loan Agreement and the Amended and Fully Restated Promissory Note for continuation of Reno Housing Authority's \$1.75 million loan to Truckee Meadows Housing Solutions for its GenDen development located at 1100 W. 4th Street in Reno (APN 010-610-19) and authorize the Executive Director to complete items 1-3 listed above to effectuate the closing and start of construction.

RECITALS:

- A** **Whereas**, pursuant to Section 721 of the Financial Institutions Reform, Recovery and Enforcement Act of 1989 (“FIRREA”), the Federal Housing Finance Agency (“FHFA”) is required to cause each Federal Home Loan Bank to establish an affordable housing program (“AHP”) to assist members of each Federal Home Loan Bank to finance affordable housing for very low-, low-, or moderate-income households.
- B** **Whereas**, The Federal Home Loan Bank of San Francisco (the “Bank”) also has established an Affordable Housing Program Implementation Plan (as amended from time to time, the “Implementation Plan”) and policies, procedures, guidelines and instructions covering, among other things, feasibility, disbursement, monitoring and modifying affordable housing projects participating in the AHP (as amended from time to time, the “AHP Policies and Procedures”);
- C** **Whereas**, Lender, a member of the Bank, and the Project Sponsor submitted an application to the Bank (the “AHP Application”) for an AHP Subsidy (defined below) in connection with the real property identified in the AHP Application and the improvements and tangible and intangible personal property associated or connected therewith, all of which is encumbered by the Deed of Trust (the “Project”).
- D** **Whereas**, pursuant to regulations (including, without limitation, those contained in 12 CFR Part 1291) promulgated by the FHFA pursuant to FIRREA (the “AHP Regulations”), members of each Federal Home Loan Bank are required to provide for the repayment of any AHP Subsidy should said AHP Subsidy or the Project or a portion of the Project be unused or improperly used.
- E** **Whereas**, in connection with the Project, Project Sponsor entered into an Affordable Housing Program Direct Subsidy Agreement Rental Project (the “Subsidy Agreement”) with the Bank and Lender, pursuant to which Project Sponsor and Lender agreed to be bound by the AHP Regulations and perform certain monitoring functions with respect to the Project and related AHP Subsidies.
- F** **Whereas**, Lender has advanced or agreed to advance the AHP Subsidy (defined below) to Borrower in connection with Borrower’s purchase, construction and/or rehabilitation of real property described in the Deed of Trust, and in connection with the AHP Subsidy, Borrower has executed the Deed of Trust, which includes this Rider.
- G** **Whereas**, the Parties desire to cause the Income-Eligibility and Affordability Restrictions and related covenants and restrictions required by the Subsidy Agreement to become recorded restrictions burdening the Project as defined below.

By signing the Deed of Trust, Borrower hereby agrees as follows:

- 1. AHP Subsidy.** The secured obligation described in and secured by the Deed of Trust represents the “AHP Subsidy” used or to be used in connection with the purchase, construction or rehabilitation of the Project.
- 2. Definitions.** As used in this Rider, the following capitalized terms have the following meanings:

“**Income-Eligibility and Affordability Restrictions**” means income limitations as amended or modified or adjusted annually according to the current applicable median income data from time to time with the approval of the Bank and rent limitations such that the Project units are affordable for households with incomes at or below the levels committed to be served in the AHP Application.

“Loan” means the advance of funds evidenced by the Note.

“Loan Documents” means the Note, the Deed of Trust, and all other documents relating to or securing the Note, each as renewed, amended, modified, restated and extended from time to time.

“Note” means the promissory note secured by the Deed of Trust.

“Retention Period” means the period commencing on the date of the completion of the Project as determined by the Bank in its discretion and ending fifteen (15) years after the same date.

All other capitalized terms not otherwise defined herein or in the Deed of Trust shall be as defined in the Subsidy Agreement among the Project Sponsor, Lender and Bank.

3. Covenants.

- (a) **Compliance.** Borrower shall comply with the AHP Regulations, the AHP Policies and Procedures, and the commitments made by the Project Sponsor in the AHP Application and the Subsidy Agreement.
- (b) **Income-Eligibility and Affordability Restrictions.** Borrower shall cause the Project’s rental units, or the applicable portion thereof, to remain occupied by and affordable for households with incomes that are consistent with the Income-Eligibility and Affordability Restrictions for the duration of the Retention Period. The Income-Eligibility and Affordability Restrictions shall terminate upon transfer of title to the Project following foreclosure or deed in lieu of foreclosure of the Deed of Trust or a senior deed of trust.
- (c) **Notice of Proposed Sale, Transfer, Assignment, Refinancing, or Foreclosure.** Borrower shall give the Bank, and in its discretion any designee of the Bank, notice of a sale, transfer, assignment of title or deed, refinancing, foreclosure or transfer in lieu of foreclosure of the Project occurring prior to the end of the Retention Period at least fifteen (15) calendar days prior to the anticipated happening of such an event. Notwithstanding any other provision contained in the Deed of Trust, in case of any sale, assignment, or transfer of the Project, Borrower shall ensure that the documentation of such sale, assignment, or transfer includes a provision acceptable to Lender in its sole discretion that the Project will continue to be used for affordable housing consistent with the AHP Regulations and AHP Application.
- (d) **Repayment.** In case of a sale, transfer, assignment, or refinancing of the Project prior to the end of the Retention Period, subject to the nonrecourse provisions of the Note and this Rider, Borrower shall on demand repay all principal and accrued interest on the Note in full, unless:
 - (i) the Project continues to be subject to a deed restriction or other legally enforceable retention agreement or mechanism incorporating the Income-Eligibility and Affordability Restrictions committed to in the approved AHP Application for the duration of the Retention Period; or
 - (ii) if authorized by the Bank, in its discretion, the households are relocated, due to the exercise of eminent domain, or for expansion of housing or services, to another property that is made subject to a deed restriction or other legally enforceable retention agreement or mechanism incorporating the Income-Eligibility and Affordability Restrictions committed to in the approved AHP Application for the remainder of the Retention Period.
- (e) **No Discrimination.** Borrower shall not discriminate in the rental of affordable housing units based on race, religion, sex, national origin, handicap or familial status, and shall obey all applicable fair housing laws.
- (f) **Monitoring Information.** Borrower shall provide to Lender and the Bank, promptly following Lender's or the Bank's request, any and all information the Bank or Lender requires to meet its obligation to monitor projects which have received AHP subsidies, under the AHP Regulations, AHP Application and any applicable law, in a format as required by or acceptable to the Bank and Lender.
- (g) **Notice of Violation; Additional Information.** Borrower shall promptly give written notice to the Bank and Lender of an occurrence of noncompliance with the requirements of the AHP Regulations, the AHP Policies and Procedures or the Subsidy Agreement at the earliest possible date after discovery of such noncompliance, and after Borrower has had reasonable time to investigate and evaluate the occurrence which may constitute noncompliance, but in any event, notice shall be given no later than fifteen (15) calendar days following discovery of an occurrence that constitutes noncompliance. In addition, Borrower shall provide to Lender or the Bank, or both, within fifteen (15) calendar days following the request of Lender

or the Bank, or both, as the case may be, information and requested documentation concerning the Project and the Loan.

4. Cure Rights. Notwithstanding anything to the contrary in the Note or Deed of Trust:

- (a) Borrower shall have the right to cure any defaults and Lender agrees to accept cures tendered by Borrower within thirty (30) days of written notice to Borrower of such default, plus such additional time as is reasonably necessary to cure the default provided Borrower has commenced the cure within such thirty (30) day period and is diligently prosecuting the cure.
- (b) if a default is eliminated by an approved modification of the AHP Application consistent with Paragraph 11 of the Subsidy Agreement (or any successor provision) and the AHP Regulations, the default shall be deemed cured.
- (c) Lender shall give Borrower's tax credit investor, if any ("Investor"), the same written notice of default given to the Borrower as required herein; provided, that Lender's failure to give separate written notice to Investor shall not impair or invalidate any notice of default given to Borrower or give rise to any liability on the part of Lender to Investor or any other third party. Investor shall have the right to cure defaults within the time periods provided to Borrower herein, and performance of a cure by Investor or an affiliate of Investor shall have the same effect as would like performance by Borrower. Investor's address for notice purposes is:

or such other address provided Lender by Investor from time to time.

- 5. Expenses of the Bank.** Borrower hereby agrees that if Borrower brings any action or proceeding against the Bank seeking to obtain any legal or equitable relief under or arising out of the Note, the Subsidy Agreement between the Project Sponsor, Lender and the Bank pertaining to the Note, the AHP Subsidy represented by the Note or any transaction contemplated in connection therewith, and such relief is not granted by a final decision, after any and all appeals of court of competent jurisdiction, Borrower will pay the attorneys' fees and other costs incurred by the Bank in connection therewith. The Bank shall be a third-party beneficiary of the terms and provisions of this paragraph and shall be entitled to take any and all remedies available under applicable law to enforce this provision against Borrower.
- 6. Inconsistent Provisions.** The provisions of this Rider shall supersede any conflicting provision contained in the Deed of Trust, but only to the extent of such inconsistency. No provision herein shall impair any obligation of the Project Sponsor under the Subsidy Agreement.
- 7. Nonrecourse Provisions and Exceptions.** Subject to the exceptions set forth below, repayment of amounts due under the Note or the Deed of Trust, including this Rider, shall be nonrecourse to Borrower and its partners, and Lender shall look solely to the security described in the Deed of Trust and any other security agreement for repayment in the event of default hereunder. The foregoing provision shall not relieve Project Sponsor, Borrower and, if Borrower is a partnership, any general partner of Borrower of liability, subject to applicable antideficiency laws, for:
- (a) repayment of amounts due from Borrower under the Note in case of misuse of Loan proceeds as described in Section 5 of the Note or as otherwise repayable by the Project Sponsor in accordance with Section 15 of the Subsidy Agreement;
 - (b) repayment of amounts due under the Note if the Project is sold, transferred or refinanced prior to the end of the Retention Period and the Project is no longer subject to the Income-Eligibility and Affordability Restrictions;
 - (c) fraud or willful misrepresentation;
 - (d) failure to pay taxes, assessments or similar charges that are, or are secured by, a prior lien on the Project, except to the extent this provision would result in all or any portion of the indebtedness evidenced by the Note being treated as a recourse liability under applicable Treasury Regulations;

- (e) the retention of any rental income or other income arising with respect to the Project collected by Project Sponsor or Borrower after the holder of the Note has given any notice that Borrower is in default and not applied such income to indebtedness secured by a prior lien on the Project or to expenses of ordinary operation or maintenance of the Project, to the full extent of the rental income or other income so collected and retained by Project Sponsor or Borrower;
 - (f) the misapplication of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss or destruction to any portion of the Project;
 - (g) commission of waste with respect to the Project; and
 - (h) breach of any environmental covenant or representation made by the Project Sponsor or Borrower relating to the Project.
8. **Three-Year Tax Credit Period.** If the Project was assisted by federal tax credits, and in the event that it is determined that Section 42(h)(6)(E)(ii) of the Internal Revenue Code is applicable to the Lender, and in the event that Lender were to take over ownership of the Project as a result of a foreclosure, Lender by accepting the Deed of Trust agrees that it will comply with the three-year extended use requirement as specified therein.
9. **Permitted Transfers.**
- (a) **Purchase Option.** Notwithstanding anything to the contrary contained in the Deed of Trust, this Rider or any other Loan Document, as long as the following actions are in accordance with the specific representations made by the Member and Project Sponsor in the approved AHP Application, the execution, delivery and exercise of the option and right of first refusal set forth in Borrower's partnership agreement or other agreement reviewed and approved by Lender and disclosed in the approved AHP Application (collectively, the "Option") shall not constitute a breach or default under the Loan Documents; provided that the Option is subject, subordinate and inferior to the liens and security interests of the Loan Documents, and that the exercise of any rights thereunder are subject to the AHP Regulations and the terms of the Loan Documents.
 - (b) **Replacement of General Partner.** Notwithstanding anything to the contrary in this Security Instrument, in the event Borrower's limited partner exercises its rights under the Borrower's partnership agreement to replace the general partner of Borrower, then Lender shall consent to such replacement subject to the Loan Documents if (1) the replacement is approved by the Bank; (2) the new General Partner (the "Replacement GP") is (A) Investor or one Investor Affiliate (hereinafter defined), or (B) a nonprofit entity (but not an Investor Affiliate) approved by the Investor (hereinafter defined) and such nonprofit entity and the Project meet Lender's underwriting criteria for a similar type of property in effect at the time of the replacement; (3) if the Replacement GP is not the Investor, one Investor Affiliate or a nonprofit corporation approved by the Investor, then the Replacement GP pays Lender an Assumption Fee equal to one percent of the remaining principal balance of the Note; (4) the Loan is current and there exists no event of default under the Deed of Trust or any other Loan Document, and, there exists no other event, which, with the giving of notice or the passage of time or both, would constitute an event of default under the Deed of Trust or any other Loan Document; (5) Lender receives a new lender's policy of title insurance or endorsement insuring the continued existing lien status of the Loan; and (6) the Replacement GP pays all costs relating to the transaction (credit report fees, notary fees, recording fees, escrow fees, title fees, title insurance premium, legal fees, and any other costs incurred by Lender, if any). In the event the above conditions are met, all existing terms of the Loan Documents will remain in effect. The obligations of Lender stated herein are expressly conditioned upon the assumption transaction being in compliance with the applicable law and regulations of all government agencies having jurisdiction over Lender at the time of the transfer. The provisions of this Section shall apply to the one-time replacement of the entity that is the general partner of Borrower on the date of the Deed of Trust, and it shall not apply to any other or subsequent replacement of the Replacement GP.
 - (c) **Definitions.** In this section, "Investor" means the limited partner with the largest percentage beneficial interest in Borrower as of the date of the Deed of Trust. "Investor Affiliate" means an entity (a) in which the Investor has a material ownership interest, directly or indirectly, and (b) whose management and business decisions the Investor manages and controls, directly or indirectly.
10. **Counterparts.** This Rider may be executed in any number of counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute and be one and the same instrument.
